

# Westfield Sportscars

**Beat the current economic blues  
and look forward to a carefree summer...**

A Westfield sports car complete kit available for home completion from just £13,990, or supplied fully built and road registered from £16,990

## What makes the Westfield kit exceptional?

- » Unbeatable value for money
- » A car, that when completed, is ideal for touring or the track
- » A speedy 120 hour build time
- » The complete package (all parts supplied) – you only need to supply Time, Fuel and Water!
- » No specialist tools required
- » A new 2 litre Zetec engine, capable of producing 150 BHP
- » Available in a range of 10 body colours with trim to complement
- » Carbon effect cycle wings
- » 15" wheels and tyres as standard
- » A comprehensive instruction manual & specialist support
