With the cost of oil impacting on all our lives, we are developing a new series of offers on standard parts aimed at assisting Westfield owners with the overall cost of running their sports cars.

Our Autumn 2008 offers are for popular items in the brakes, lights and bodywork sections.

Ultralite 4 front brake caliper

The Ultralite 4, at only 920g, is designed to be a direct replacement for the standard Westfield calipers. Available exclusively to Westfield Sports Cars, the front caliper, including pads, is on offer at **£139.99** inc. VAT.

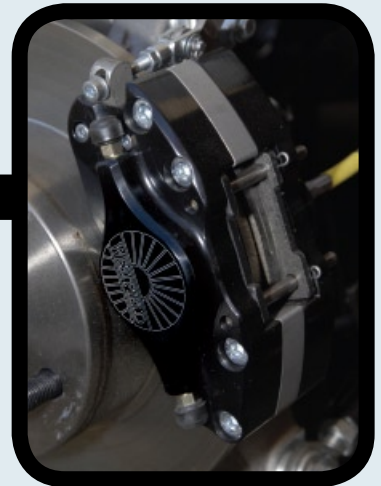

SVA compliant rear caliper

The easy to fit SVA compliant rear caliper has a rigid light-weight and compact design that is enhanced by stainless steel moving components. Available to match front conversions, the rear caliper, including pads is on offer at **£159.99** inc. VAT.

6" diameter Sports Silencer (wide body) with catalytic convertor

Designed specifically for Westfield sports cars, the re-packable stainless steel 6" diameter Sports Silencer and mounting kit is available for both left and right hand applications at a special price of **£395.00** inc. VAT.

Carbon effect rear lamp kit

The Carbon Effect Rear Lamp Kit is the first in our special deals on lights. Manufactured specifically for Westfield, the kit, which includes fog and reverse lamps, is on offer at **£149.99** inc. VAT.
